ALSO

Web security: OWASP audits and pentesting.

David Tejedor Ayet

Senior iOS Developer · SwiftUI

iOS developer with 7+ years at tech consultancies, shipping native apps to the App Store on projects for brands like Meliá, ONCE and Athletic Club. Specialised in SwiftUI, Swift 6 and clean, well-tested architecture. Cybersecurity background and an obsession with privacy and detail.

EXPERIENCE

Oct 2021 - present

iOS Developer · O2O (MO2O Digital Business & Transformation)

- Native SwiftUI apps on the consultancy's projects for Meliá, Grandvalira, ONCE, Athletic Club and Sodexo.
- From requirements to the App Store: analysis, UX with the client, TestFlight betas, release and certificates.
- Small Scrum teams, sometimes coordinating them. Firebase.

Sep - Oct 2021

Senior iOS Developer · Proun

- Built and maintained apps in Swift and Objective-C, betas and releases.

Apr - Aug 2021

Cybersecurity Analyst · Sidertia Solutions

- Black-box and grey-box web audits (OWASP), risk analysis and reporting.

Jan 2019 - Nov 2020

Mobile App Developer · Vanadis

- Native iOS and Android apps on the consultancy's projects for Renault, Perfumerías Júlia, OBS and Attends.
- Continuous integration and direct client work.
